Peninsula Streams Society
9860 West Saanich Road
North Saanich, BC V8L 4B2

Peninsula Streams Society is a registered charity, incorporated in 2002. Utilizing scientific expertise and community stewardship, we are dedicated to:

- Stream restoration
- Habitat conservation
- Fish stock rehabilitation
- Environmental education through school programs, workshops, seminars, training and lectures

Benefits for Volunteers

- Obtain valuable volunteer experience
- Make a positive and tangible difference in your community
- Meet interesting and likeminded people
- Outdoor exercise and fresh air!
- Learn about and take part in stream and riparian area restoration
- Learn about invasive species removal methods
- Flexible time commitments
