

A woman with blonde hair tied back is sitting on the edge of a small boat on a lake. She is holding the hand of a young child who is standing in the shallow water. A dog is swimming in the water to the right. The scene is set at sunset, with the sun low on the horizon, creating a warm, golden glow. The background shows a dense line of trees and a wooden dock with another person in the distance.

WHAT WILL YOUR LEGACY BE?

Introducing the
Peninsula Streams Society
Legacy Fund

By including us in your estate plans, you will help us continue to restore streams and conserve aquatic habitats throughout Greater Victoria.

Help us with an everlasting gift

You can help Peninsula Streams Society by investing in our future with a donation to our legacy fund.

Our long-term goal is to build the Peninsula Streams Society Fund into a substantial financial resource. As a self-sustaining fund, it will provide annual income that assures continuation of important restoration, education and conservation programs.

Hosted and managed by the Victoria Foundation, income from our legacy fund will be distributed to our society annually, helping to provide long-term financial stability for our organization.
