

# Peninsula Streams & Shorelines Upcoming Events

Hello firstname!

This newsletter is a brief one, as we'd just like to call your attention to a few upcoming events and meetings.

Before we get into that, there are two important notes we'd like to share:

One, we're happy to let you know that Peninsula Streams Society has recently undergone something of a name change - our legal name will remain Peninsula Streams Society, but we will be "doing business as" (dba) **Peninsula Streams & Shorelines**. This longer name better reflects the breadth of our activities, which is useful when communicating to the general public and to funders.

And second, did you know that Sunday May 15th marks Peninsula Streams Society's **20th Anniversary of Incorporation**! We'll have lots more to say on that at our upcoming AGM, and are planning a celebration for later this summer/fall, to honor the people and groups that have helped us get this far.

In gratitude for your support,

~The Peninsula Streams & Shorelines Team
