

THE POWER OF OUR COMMUNITIES

20+

stewardship groups supported in over 15 watersheds with:

- ✓ TECHNICAL ADVICE
- ✓ STRATEGIC PLANNING
- ✓ FUNDING ACCESS

Why is this effective?

- ▶ **Fosters a sense of place:** Deepens the connection to lands and waters, rooting restoration in community values.
- ▶ **Increases environmental literacy:** Moves beyond awareness to deep ecological knowledge, turning residents into informed advocates for their watersheds.
- ▶ **Empowers every community member,** from youth to elders, to play a measurable role in ecological resilience and habitat restoration.
- ▶ **Scales direct impact:** Multiplies restoration efforts through thousands of hours of skilled, on-the-ground action.
